

Information for foreign owned dog: If the dog has participated in a show, test or competition in Sweden before, with a stud book result, no further action is needed. If this is the first time the dog is to participate in Sweden, a copy of the dog's original pedigree containing information about the dog's registered name, registration number, breed, date of birth and breeder must be sent in good time to SKK, Registration Department, 163 85 Spånga, e-mail: reg@skk.se If this information is not in the SKK register, the results cannot be registered and the dog can not be registered via SBK Tävlning where applicable.
